

Through the Bible: Living in God's Story

Esther 4

**Esther helps us think through
big questions of life so we
can live well.**

The Story

- 3 Questions to consider:
 - Where is God?
 - Why are you in the kingdom?
 - Who is with you?

Where is God?

- God is at work throughout the book of Esther, even though He's never mentioned once
- Esther is like real life - God is at work, but unless we're looking for Him, it's easy to miss Him

Why are you in the Kingdom?

- Although Esther's focus was only on herself, God put her in her position for a bigger purpose
- God brings us into the circumstances of our lives for purposes bigger than ourselves
- You are where you are right now because God is in control, and He has a plan for you there

Who is with You?

- Esther got the courage to stand before the king when she realized she wasn't alone
- As Christians, we are never alone
- Jesus equips and empowers us to stand for God in the situations we face each day
